Dear Parents/Guardians

Primary One/ Two Holistic Assessment 2017

In line with MOE's PERI's recommendation of adopting Holistic Assessment to nurture Confident Children, Independent Learners and Caring citizens, the school has implemented Holistic Assessment since 2013.

Holistic Assessment allows an ongoing gathering of information on different facets of our boys from various sources with the aim of providing qualitative and quantitative feedback to support their development. Through bite-sized assessment in the core subjects, we hope to build our boys' confidence and desire to learn. These traits will be instrumental in nurturing them to be independent and life-long learners. This is in line with the school's mission to nurture our boys with a quality, holistic education.

We recognise the importance of parental support in supporting our boys' learning. Hence we have collated the whole year's assessment schedule as well as assessment coverage and weightings for your reference.

We look forward to your continued partnership.

Warm Regards,

Mrs Chaillan Mui Tuan
