Dear Parents / Guardians of P1 students,

P1 Parent-Child-Teacher Conference

For the year-end Meet-the-Parents Session, we will be adopting a new approach in line with Holistic Assessment for all P1 students.

We would like to invite you and your child to Parent-Child-Teacher Conferencing (PCTC) on 15 November, Thursday 8.00 am to 3 pm, held in his classroom. Each conferencing session is 10 minutes in duration and during this time your child will share with you his learning in this semester. As such, we will not discuss any academic/behavioural issues. There are ample opportunities for such general discussion via other modes of communication.

The Conferencing approach aims to develop our boys as self-directed and reflective learners. It also further enhances their communication skills and develop their self-confidence, which are important 21st century competencies.

Please take note that there will be no lessons for the boys on that day and they are required to come together with you for conferencing session in their school uniform.

Booking of your preferred appointment slot can be done via the MC Online Portal using the Parents' Account. The link is www.mconline.sg. The booking period is from 29 Oct 3pm to 9 Nov 5pm. Upon your booking, you will receive an acknowledgement (on the MC Online page). Do note that the duration of each appointment is about ten minutes. Click [here](#) for the Parent's Guide for MTP Booking. The link to the MCOonline portal and instructions are also available on our school website, www.acsj.moe.edu.sg.

There are no parking facilities within the school and we suggest you park at Newton public car park. We seek your kind understanding in being punctual and keeping to the allocated time for the conference.

We look forward to meeting you at the Parent-Child-Teacher Conference session.

Yours sincerely,

Mrs Chaillan Mui Tuan
Principal
