

2019 Direct Schools Admissions (DSA) for secondary schools

Dear Parents/Guardians,

From 2019 onwards, students are to apply for DSA via the DSA-Sec portal. For those who wish to understand more about DSA or learn if your child is eligible and how to apply, please refer to following website at <https://beta.moe.gov.sg/secondary/dsa/>

The DSA-Sec Portal will be available for DSA-Sec application from **8 May 2019, 9am to 4 Jun 2019, 3pm**. Parents will be able to login to the DSA-Sec Portal using one parent's SingPass 2-Step Verification (2FA) to submit DSA-Sec applications for their children. If parents are unable to apply online, they can approach their child's primary school for assistance.

The user guide for applicant and offline application form will also be made available on the MOE DSA-Sec website at <https://beta.moe.gov.sg/secondary/dsa> on **6 May 2019**.
