**Terms & Conditions**

1. The pass entitles you to have access to the Campus without the need to sign for a Visitor's Pass at the Security Post. You will be allowed to wait for your son in the canteen or foyer under the Performing Arts Centre. Please do note however that parents will only be allowed to come into the Campus to wait for their children **at 1.15pm** before official school dismissal time. All other times, parents will have to report to the General Office if they are there for meetings/consultations with teachers. The 3 Teaching Blocks are out of bounds to parents.
  
2. An administrative fee of \$5.00 is levied for each pass (either for one or 2 photographs on each pass). Please make the cheque payable to Anglo-Chinese School (Junior) and indicate your son's name, class and "Security Pass" on the back of the cheque. Please return this form with the cheque. You can submit the completed application form and cheque at the reception in the General Office.
  
3. If you wish to authorize a 2<sup>nd</sup> person who will be coming to school, please include his / her information and photo in the appropriate spaces above.
  
4. **You are required to display the Security Pass upon entry into ACS (J) Campus and while on the Campus at all times.**
  
5. You will need to sign for a Visitor Pass at the Guard Post if you are unable to display the Security Pass upon entry. Under such circumstances, the Security Guard will be requesting for photo identification to verify your particulars.
  
6. **This Security Pass is only for parents whose child is studying in ACS (Junior).**
