Security

Are parents/guardians allowed to enter the School?

The School recognises and values the strong partnership it has with all parents. While we welcome parents/guardians on the campus, we are also mindful of the need for security measures to protect your son in School. We require you to observe our security procedures while on campus.

Am I allowed to enter the School at any time during School hours?

Parents/guardians will only be allowed to wait for their sons/wards at the School from 1.15pm. Parents must report to the General Office if they are in the school for meeting/consultations with teachers. **Parents/guardians are required to visibly display their Security Pass at all times while in the school compound.** The Teaching Blocks are out-of-bounds to parents.

Do I need to obtain a Pass to enter the School?

We have a Security Pass System to monitor and manage movement of Parents and Visitors on the Campus. Parents wearing a Security Pass do not need to sign for a Visitor's Pass at the Security Post. After clearing with the security guards, all parents and visitors are to proceed directly to the General Office.

In general, parents are allowed to wait for their sons at the Foyer under the Performing Arts Hall. The Performing Arts Hall is the first block on the Campus, nearest the School gates and car lay-by.

Please note that the security passes are not transferrable.

Can I apply for a Security Pass now?

Yes, you can. Kindly download the application form from our School website at General Information > Forms, or go to this website <https://tinyurl.com/acsjsecuritypass> and hand it in at the Reception. Please note that there is an Administrative Fee of \$5.00 for each Security Pass – [cheques are to be made payable to “**Anglo-Chinese School (Junior)**”]. We will contact you when your security pass is ready for collection.

Recess Timings

Are there staggered recess times?

Yes, to avoid over-crowding in the Canteen, the staggered recess times are as follows:

From	To	Levels
9.30am	10.00am	P1 & P2
10.00am	10.30am	P3 & P4
10.30am	11.00am	P5 & P6
11.00am	11.10am	P3&P4 Snack time (in class)*
12.10pm	12.20pm	P1&P2 Snack time (in class)*

* The boys are allowed a 10-minute snack time (between 12pm to 12.30pm), upon request. This is to help tide them over until School dismissal time. Only healthy and dry snacks are to be consumed at this time, for example biscuits, muesli bar or fruit, etc. If your son is bringing food from home, please remind him to leave a small portion of his food for this snack time, which is after recess.

Traffic & Transportation

How can I drop off my son at the School?

Do study the traffic flow map and help us maintain an orderly flow of traffic. Winstedt Road is one-way. No parking or waiting is allowed on either side of the road – parents in the past have received traffic summons for failing to adhere to these traffic rules.

There are 2 locations to drop off and pick up your son:

- 1) The sheltered lay-by along Winstedt Road. Please note that the lay-by is used for drop off and pick up only, please do not park in there.

After the boys are dropped off at the lay-by, they are to walk along the sheltered walkway and enter the School via the side-gate (Gate 3).

- 2) The lay-by in front of the Foyer within the School. Please note that vehicles **will not be allowed** to enter into the School compound after 7.30am. The School gates will be opened after 1.50pm for pick up.

Please refer to the site plan of the school attached.

The School gates are not opened at 1.30pm as the school buses will be in the school compound for dismissal.

Please let your son alight at, and pick him up from, the **sheltered lay-by**. Only four cars are allowed to halt at the lay-by at any point of time, along Winstedt Road.

After the boys are dropped off at the lay-by, they are to walk along the sheltered walkway and enter the School via the side-gate (Gate 3).

Safe Routes for Pedestrians (Gate 3)

All pedestrians are to use the side-gate (Gate 3) for coming into and leaving the School Campus.

Only authorised stake-holders (School staff and term contractors) have the pin-code to open this gate.

Parents and other visitors are to use the intercom located at the gate to request the guard to open the gate. After this, proper signing-in procedures are still mandatory.

Pupils will also have to use the intercom to request the guard to open the gate to allow them to enter the School Campus.

To leave the School Campus after 2.00pm via Gate 3, pupils, parents and School visitors have to press the Green Button (located before Gate 3) to open the gate.

Our pupil population is over 1,650. Many boys will be crossing the road/lay-by every day, so please be careful and considerate if you are driving your son to School. Parents should keep the following in mind:

- **Do not let your son alight at the main School gate** as School buses and staff will be using that gate and it will be extremely dangerous for your son to use this gate to enter the School on foot.
- Do encourage your son to get into and out of the vehicle quickly so that you do not hold up the traffic.
- **Do not wait** for your son at the lay-by. If you do not see your son at the waiting area, please move ahead and park your vehicle at Newton Hawker Centre car park and walk back to the waiting area to fetch him OR drive one round and re-join the queue to get to the lay-by.
- If your son is being escorted (whether by yourself or someone else) into or out of the School, please ensure that the driver of your vehicle **does not wait at the lay-by** for you to return. Kindly drive ahead and re-join the queue at the beginning of Winstedt Road.
- Do not allow your son to run/go to your vehicle before it reaches the lay-by. This is extremely dangerous.
- Please cooperate with the traffic wardens on duty.

Can I wait for my son at Monk's Hill Road, on the left of the School?

Monk's Hill Road is a narrow road with a dead-end, making it very difficult/near impossible to make a 3-point turn. Hence, we strongly advise that you **do not use Monk's Hill Road** to wait for your son. In addition, the School buses will be using Monk's Hill Road to turn out onto Winstedt Road so it will be hazardous for parents to park their vehicles or collect their sons along this road.

Instead, we highly recommend that you park at the **open-air public car park next to Newton Hawker Centre**.

What about Monk's Hill Road, leading into Newton Hawker Centre car park?

Monk's Hill Road leading to Newton Hawker Centre is a two-way narrow road where you could possibly drop your son off, but NOT to wait or park your car there. Hence, we strongly advise that you **do not use that section of Monk's Hill Road** to wait for your son.

Once again, we highly recommend that you park at the **open-air public car park next to Newton Hawker Centre**.

Kindly note that this part of Monk's Hill Road is **one-way** from Newton Hawker Centre into Winstedt Road, from 6.45am to 7.45am and 12.45pm to 1.45pm on weekdays except on Public Holidays and School Holidays. This means that during these times, you are **NOT ALLOWED** to turn right into Monk's Hill Road from Winstedt Road.

Are there any measures in place to help vehicles trying to turn right onto Clemenceau Avenue North?

The Land Transport Authority has implemented specifically-timed traffic lights at the junction of Winstedt Road and Clemenceau Avenue North to help ease traffic congestion there. The traffic lights are only operational from 7am to 8am and 12pm to 2pm on weekdays except Public Holidays and School Holidays.

What if I choose to send my son to School by the School bus?

School buses will drop off & pick up the boys in the allocated School bus assembly area. Please liaise with the School bus operators directly on the pick-up and return times for your son. Kindly note that arrangements made with bus operators are transactions between you and the bus operator. The School will not be involved in any disputes. Enquiries regarding School bus operations can be directed to Mrs Alleena Soothoo at 6737 5082 (8am to 5pm).

How else can my son get to School?

The Campus is a short walk away from the Newton MRT station, which also has a bus-stop located in front, along Scotts Road. The buses that stop there are Bus Service Numbers: 5, 54, 124, 128, 143, 162, 162M, 167, 171, 518, 518A, 700 and 700A.

Alternatively, there is a bus-stop located just in front of the Esso petrol station along Bukit Timah Road, near the entrance of Winstedt Road. The public buses that ply that route are: 48, 66, 67, 170 and 960.

Communication with the School and my son

How do I communicate with my son in case of an emergency?

In case of any emergency, please call the School office (6733 7911) with your message. We will ensure that it is communicated to your son.

How can I communicate with my son's teachers?

You may e-mail the teachers (their e-mail addresses are available on the School website). In addition, you may call the School office and leave a message for the teacher to return your call. However, please do understand that teachers may be teaching at the time you call and may not be able to return your call immediately. (Refer to Page 3 for the School's contact numbers)

How will I be kept updated of matters such as School holidays or specific things that my son needs to bring to School, etc?

The Principal or class teachers will send out such information and updates periodically by e-mail or through the use of your son's Pupil's Companion.

Is my son allowed to carry a mobile phone to School?

Yes, he may bring his mobile phone to School for communication purposes only. He will need to adhere to the rules and regulations on its usage. (Please refer to the School Rules) He is also expected to look after his mobile phone. The mobile phone will need to be clearly labelled with your son's name and class for 2018.

How do I pass items to my son if he has forgotten to bring them?

We would like to discourage parents from bringing 'forgotten' items to school for your son. They will learn to manage if they forget their water bottles or do not bring their assignment/book/CCA attire. If we continually save them from these situations, we deprive them of the opportunity to grow and learn. Please work together with us on this matter so as to develop your son's confidence.

School work and attendance

In the event that my son cannot attend School, will a letter of explanation from the parents suffice?

Yes, that is acceptable and we also require you to inform the Form Teacher. Please submit your son's Medical Certificate (MC) if he has been absent due to an illness. Please note that if your son is absent during an examination, he will require an MC.

How will I be able to keep track of my son's progress? Will there be regular parent-teacher meetings?

Every year, there will be 3 Meet-the-Parent meetings. In addition, teachers also provide feedback to parents whenever the need arises. Parents may also seek the teachers' feedback on their own initiative. The Meet-the-Parent meetings are held in Term 1, at the end of Term 2 and at the end of Term 4.

CCA Matters

Are CCAs compulsory?

It is compulsory for Pri.4 to Pri.6 boys to take part in at least one CCA, which could be a uniformed group, a club or a sport. From 2019, selected CCAs are available for P3.

For P1 and P2 boys, the school has Program for Active Learning (PAL), which nurtures the boys' character via physical and aesthetics development. Learning for Life Programme (LLP) is also part of our sports curriculum where the boys are introduced to the basics of Rugby and Tennis. Both programmes, which are carried out within curriculum hours, encourage the well-rounded development of our boys and provide varied avenues for our boys to develop social and emotional competencies and values.

How can I sign my son up for a CCA?

Registration of CCAs is done online at the beginning of each year. Please refer to the instructions given at the beginning of each year on the registration of CCAs.

Can my son join more than one CCA?

Boys are encouraged to pursue and specialise in one CCA. They may participate in a second CCA if they so desire but it should be a less demanding activity to ensure that they do not have too heavy a CCA load.

On which day/s will CCAs be scheduled?

Most CCAs run on Wednesdays and/or Fridays. This allows for other days be freed for other School programmes and activities, in support of our School policy to provide a holistic education for our pupils.

Twice-a-week sessions or more in certain CCAs are meant for boys who are taking the CCA at a competitive level. Boys who are taking a CCA at a non-competitive level are required to attend CCA only once a week unless otherwise stated by the teachers-in-charge for the respective CCA.

Where do the CCAs take place?

Most CCAs will be held within the school premises with the exception of a few sports which require external facilities specific to the sport, for example, Sailing, Swimming and Tenpin Bowling.

Are there special School bus arrangements on CCA days?

Yes, only applicable for those currently taking the school bus. (Enquiries regarding bus arrangements can be directed to Mrs Alleena Soothoo at 6737 5082 (8am to 5pm).

Chapel

Chapel is held for all levels as follows: –

Tuesday P5 & P6
Wednesday P3 & P4

After-School Programmes

What about After-School programmes? When will these be scheduled?

After-School programmes, which your son may be identified for, will be scheduled as follow:

TIME	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
2.00 pm to 3.45 pm	Hinch Programme (Maths & Science)			Hinch Programme (Mother Tongue & English)	

There are different CCAs running each day. CCA schedule for the following year will be uploaded on the school website at the end of each year.

Emergencies & Medical Care

Where is the Sick Bay in the School?

The Sick Bay, or otherwise known as the Wellness Cove, is located just next to the Reception counter in the Administration Block. The Wellness Cove is equipped to address the needs of the boys should they feel unwell, or are suffering from cuts/bruises, as they wait to be taken home by their parent/guardians. Please note that the School is **not** allowed to administer or apply medication on any child. The School has first-aid trained staff to attend to your son.

Is there a dental clinic on campus?

The dental clinic is located next to the Canteen, located in Block F.

Canteen and Dietary Needs

What kind of food is available in the School canteen?

There are 8 stalls of which 1 stall is a Halal Stall. The other 7 stalls are:

1) Drink Stall. 2) Snacks Stall. 3) Japanese Food Stall. 4) Local Rice Stall. 5) Noodles Stall. 6) Chicken Rice Stall. 7) Western Food Stall. Food purchases are to be made by cash.

Do the stalls adhere to Health Promotion Board Guidelines?

The Canteen Committee ensures that the food sold at the School Canteen adheres to the guidelines stipulated by the Health Promotion Board:

My son has special dietary needs, so can I bring food for him at recess time?

If your son has special dietary needs, this should be highlighted to the School and arrangements can be discussed with his Form Teacher. Currently, boys who have special dietary needs bring their own food to School.

Bookshop

Is there a Bookshop in the School?

Our appointed Bookshop for 2018 is Popular Bookstore. It is located in the Canteen at Block F. If you need to purchase any books once School has started, you may make your purchases there after 2.15pm.

Apart from the PE House tank top, are there any other t-shirts my son can wear to School?

There is a Corporate School T-shirt (a collared one in White and a round-necked one in Red) and Corporate Shorts for the boys. The boys can wear the Corporate Attire on designated School days and for specific School outings (Please refer to the School Rules). Please note that the Corporate Shorts which can also be worn for CCAs will only be available at Bibi & Baba.

What kind of shoes can the boys wear?

The School uniform is to be worn with white shoes and socks. If your son wears track shoes, they should be predominantly white. Primary 1 & 2 boys may wear shoes with Velcro straps (Please refer to the School Rules).

Parents' Support Group

ACS (Junior) is a Methodist Mission School with 131 years of history. Our open and inclusive culture supports and strongly encourages purposeful and sustainable partnerships with our stakeholders and the larger community. Indeed much of our School tradition is anchored on a culture of collaboration which recognises values and embraces a strong partnership with our stakeholders. We enjoy long-standing and firm collaborations with parents, six brother Schools in the ACS Family, the ACS Old Boys' Association, the Methodist Church in Singapore, Cairnhill Methodist Church, institutions in the wider local community as well as schools in China. The collaborative climate is part of the School culture and having stood the test of time, proved its sustainability.

Our Partnership framework is a lateral one, with many varied interest groups each with their own Group Representative and internal committee. This framework allows for a diverse and wide range of parental and community involvement as each group is free to initiate or volunteer their expertise, resources and support. We enjoy the rich and varied experiences our partners bring, to realise our vision of providing a holistic education for our boys.

We would like to invite you to be a Parent Volunteer and be part of a team of enthusiastic and committed parents who are very much welcomed and valued in ACS (J) school life.

An online form is made available to all parents at the beginning of each year and you can indicate the areas you would like to serve in.

School Library

The ACS (J) School Library is a vibrant hub of activity directed largely by our wonderful parent volunteers. Your son(s)/ward will get to enjoy engaging programmes organised by parent volunteers together with teachers and boys. In addition to quality literature, the boys also get to read the latest and most exciting titles available in the market. This promotes extensive reading and emphasises school values.
